

Bristol North Swimming Club NUT FREE CLUB – POLICY 2025

A Nut Free Club

Bristol North Swim Club is a nut-free facility. This policy applies to all members, including swimmers, parents, guardians, coaches, and staff.

No nut products of any kind are permitted on the premises being used. This includes, but is not limited to:

- Peanuts
- Tree nuts (e.g. almonds, cashews, walnuts, etc.)
- Foods containing nut ingredients (e.g. peanut butter, granola bars, baked goods, etc.)

We have implemented this policy to ensure the safety of all our members, as some may have severe, life-threatening nut allergies.

We ask that all swimmers, parents, and carers respect and adhere to this policy. Please do not bring any nut products into the swim club sessions, onto the grounds or to competition sites. If you are unsure about a specific food item, please check with the coach before bringing it onto the premises.

Thank you for your cooperation in keeping our swim club a safe and inclusive environment for everyone.
